INLG04

**Third International Conference on Natural Language Generation
14–16 July 2004**

Careys Manor
Brockenhurst
New Forest
UK
14–16 July 2004

INLG is the leading international conference on research into natural language generation. INLG will take place in the beautiful New Forest in the south of England. In keeping with the tradition established by past INLG conferences, Careys Manor is a secluded self-contained venue with outstanding food, rooms, conference and fitness facilities.
